From Disney and visionary director Tim Burton, the all-new grand live-action adventure "Dumbo" expands on the beloved classic story where differences are celebrated, family is cherished and dreams take flight. Circus owner Max Medici enlists former star Holt Farrier and his children Milly and Joe to care for a newborn elephant whose oversized ears make him a laughingstock in an already struggling circus. But when they discover that Dumbo can fly, the circus makes an incredible comeback. Dumbo soars to new heights alongside a charming and spectacular aerial artist, Colette Marchant, until Holt learns that beneath its shiny veneer, Dreamland is full of dark secrets.
